*National and state-level prevalence numbers reflect the most recent data available. This may differ across state fact sheets.

ECONOMICS OF TOBACCO USE AND TOBACCO CONTROL

- In FY2017, Alaska allocated \$9.5 million in state funds to tobacco prevention, which is 93% of the Centers for Disease Control and Prevention's (CDC) Annual Spending Target.⁴
- Alaska received an estimated \$98 million in tobacco settlement payments and taxes in FY2017.⁴
- The health care costs in Alaska, directly caused by smoking, amount to \$438 million annually.⁴
- Alaska loses \$205.9 million in productivity each year due to smoking.⁵

STATE TOBACCO LAWS⁶⁻⁸

EXCISE TAX

- The state tax increased to \$2.00 per pack of cigarettes in July 2007. Alaska is ranked 15th in the United States for its cigarette tax. The national average cigarette tax is \$1.71 per pack of cigarettes. The highest state cigarette tax is New York (\$4.35) and the lowest state cigarette tax is Missouri (\$0.17).
- All other tobacco products are taxed 75% of the wholesale price.

CLEAN INDOOR AIR ORDINANCES

- Smoking is prohibited in schools and childcare facilities.
- Smoking restrictions are required in all government workplaces, private workplaces, restaurants, retail stores, and recreational/cultural facilities.
- There are no smoking restrictions in bars.

YOUTH ACCESS LAWS

- The minimum age requirement for the purchase of tobacco products is 19, and penalties exist for both minors and merchants who violate this law.
- Establishments are required to post signs stating that sales to persons under 19 are prohibited.
- The sale to minors of alternative nicotine products, including electronic cigarettes, is prohibited.

CESSATION STATISTICS AND BENEFITS

- The CDC estimates that 54.0% of adult every day smokers in Alaska quit smoking for one or more days in 2015.⁹
- The Affordable Care Act requires all Medicaid programs cover all tobacco cessation medications beginning January 1, 2014.^{8†}
- Alaska's state quitline invests \$3.66 per smoker; the national average investment per smoker is \$3.46.⁸
- Alaska does not have a private insurance mandate provision for cessation.⁸

†The seven recommended cessation medications are NRT Gum, NRT Patch, NRT Nasal Spray, NRT Inhaler, NRT Lozenge, Varenicline (Chantix), and Bupropion (Zyban).
